

THE FIELDS INSTITUTE

# 5th IUPAP International Conference on Women in Physics

August 5-8, 2014 • WILFRID LAURIER UNIVERSITY

This unique conference series brings together delegates from around the world to:

- Showcase and celebrate scientific work in all areas of physics.
- Develop resolutions to address gender issues and promote the participation of women in physics.
- Provide networking opportunities to build a strong, diverse and inclusive worldwide physics community.

ICWIP 2014 features plenary talks, workshops on gender issues, country posters, scientific presentations, outreach activities, tours and music.
